Information about who qualifies and how to apply
How It Works

To find out how much of your dental services will be covered, you or your dental provider can call 1-800-232-1997. Your Alberta Personal Health Number is required when you or your dental provider submits a claim or have dental claim questions.

Your claim will be paid in one of two ways:

1. If your service provider bills directly:
The program will pay the dental provider for the amount that is covered by the program. If there is a difference between the amount covered by the program and your bill, you need to pay the difference.

For example, if your bill is $280, and this program covers $230, you pay $50 to the service provider ($280 - $230 = $50).

2. If your dental provider does not bill directly:
You pay the full bill. You can submit a Claim form (available from your dental provider or online at www.albertadentalservicecorp.com) to be reimbursed for the eligible amount.

Amount Of Benefit

The Dental Assistance for Seniors program provides basic dental coverage to a maximum of $5,000 every five years from the date of your first paid dental procedure.

The amount of coverage you receive is based on your previous year's annual income. You will receive annual correspondence directly from the Government of Alberta about your coverage amounts.

To Apply

If you have already applied for the Alberta Seniors Benefit (ASB) program, you are automatically enrolled for dental coverage and do not need to re-apply.

If you have not applied for the ASB program:
Please visit www.health.alberta.ca to obtain a new Seniors Financial Assistance application form or call toll-free in Alberta at 1-877-644-9992 or 780-644-9992 in the Edmonton Area.

Processing Your Dental Claims

Alberta Health has contracted Alberta Dental Service Corporation to process the dental claims. Alberta Dental Service Corporation issues payments to the service provider or the senior, depending on how the claim is submitted.
