CHILD DENTAL BENEFITS

Effective: July 1, 2017 to Current

Child dental coverage is provided to dependent children of Alberta Adult Health Benefit (AAHB) and Income Support recipients (Expected to Work and Barriers to Full Employment). Note: Dependent children of Learners and Alberta Child Health Benefit recipients receive coverage through Schedule A.

Where a restoration is provided, no payment will be made for a stainless steel crown or prefabricated plastic crown for 30 days.

For the period commencing July 1, 2017 through to Current, the Minister will compensate Members for the cost of providing Services to Clients, in accordance with the fees set out in Schedule E.

For the purpose of this schedule "a year" means twelve (12) consecutive months.

By submitting a claim for services listed herein, a claimant is agreeing to be bound by the general terms and conditions associated with such claims, which can be found at either the Alberta Dental Association & College (www. dentalhealthalberta.ca) or Alberta Dental Services Corportation (www.adsc.org) websites, and any further terms and conditions contained herein. All claim inquiries should be directed to Alberta Dental Services Corportation at 1-800-232-1997**Note 1**:Where a specific treatment requiring multiple appointments is being rendered and termination of eligibility occurs, there shall be a period of thirty days allowed for completion of that specific treatment.

Claims for prosthodontic services must only be submitted for payment after the date of insertion and not before.

Payments for New Prosthodontic Services, Relines and Rebases and Repairs and Miscellaneous Services are subject to the following conditions:

New Prosthodontics

- Pre-authorization required if replacement partial or denture is provided;
- One complete or partial denture per arch every five years;
- Complete or partial denture(s) replacement may be provided upon pre-authorization, when a denture is broken beyond repair or is irretrievably lost;
- Complete or partial denture(s) replacement is limited to one arch within five years of placement of initial denture;
- Immediate temporary complete or partial denture(s) is limited to one per arch every five years.
- If a new complete denture is required within six months of receiving a reline or a rebase, submission of a treatment plan for Review Committee approval is required, before service can commence.
- Should a new complete denture be required within six months of a partial placement, submission of a treatment plan for Review Committee approval is required.

• Where a new complete denture is required, only minor repairs will be permitted in order to provide the Patient with temporary service while the new denture is being constructed.

• Dentists will provide free of charge three (3) months post insertion care on all new, complete or partial denture(s), and/or relines/rebases, specified in this Schedule.

Relines and Rebases

- One reline or rebase per arch, every two years;
- If reline or rebase is required within six months of date of insertion of new denture(s), submission of a treatment service plan is required for Review Committee approval, prior to the service being provided;
- If relines or rebases are required within two years of date of last reline or rebase, submission of a treatment service plan is required for Review Committee approval, prior to service being provided.

Repairs and Miscellaneous Services

- Pre-authorization is required with procedure codes: 56511, 56512, 56602, 55501 and 55509.
- Tissue conditioning is provided prior to the insertion of a Standard denture or in the case of a Surgical Immediate denture, the service is provided as post insertion care. Tissue conditioning is limited to two services per arch, every two years.
- Out of office calls are limited to patients in hospitals, auxiliary hospitals, and nursing homes;
- Denture reset (code 56602), one per arch every five years;
- Denture reset (code 56602) if required within twelve months of receiving initial denture(s), submission of a treatment service plan is required for Review Committee approval, prior to service being provided;
- Denture prophylaxis and polish is limited to once every twelve months per arch;
- Post insertion adjustments are limited to a maximum of three per arch per year. They are also only permitted after three months post insertion. Units of time are fifteen-minute intervals with a maximum two time units per adjustment.
- Submission of a treatment service plan for Review Committee approval is required if tissue conditioning is needed with a functional impression reline/rebase.

DENTAL BENEFIT ADMINISTRATION

- Alberta Dental Service Corporation will administer on behalf of Alberta Health, the pre- authorization and review committee adjudication and effect payment for eligible claims.
